“ *Mark, I am so sorry for your loss. As you know, you had an incredible wife that lit up the room with her smile, laugh, love and joy. It was a true blessing to have her as a co-worker. So thankful for the many ways she enriched the lives of countless students. She has indeed created a beautiful legacy. Please know that you and your family are in my thoughts and prayers as you mourn your beloved Andrea. She loved well and was well loved. She had a life well lived for sure.*

“ Dear Kergan Family,
I am so sorry for your loss. I am praying for the whole family and for God to give you the strength. Andrea will be missed dearly. She was a great human being, nice, always happy. No matter how bad things were, she had a smile on her face. Never saw her angry. So positive. I learned from her not to take life so seriously, and to me, she was a great mentor when I arrived at Gwinnett Tech. Thank you, Andrea, for all that you ever did for each of us at Gwinnett Tech. Thank you for making me laugh when things were hard, for being you. May God Bless your soul and rest in peace.

“ Andrea was my neighbor these last 4 years. I would talk to her from time to time at the mailbox and when she walked her dogs. She always had a smile and a kind word. A very sweet woman and I know her family must miss her so. My prayers are with Mark, and all her family in this hard time.

“ *The joy and laughter Andrea brought to our life will not be forgotten. Andrea loved her family, living life to the fullest, friends and helping people. She showed it through the beautiful pictures, awesome stories, and the support she extended whenever needed. I am thankful for the advice, support and comedy relief she provided to me when it was needed. She was such a talented, beautiful and positive light that will always be remembered.*

May God wrap his arms around the entire family and give you all peace. I will keep you all in prayer and I am so blessed to have known such an awesome person and friend named Andrea.

“ Andrea, I cherish the moments and adventures we shared. You were a dreamer, a romantic, an artist, a spiritual being, the light I needed when I took things too serious. We discovered ballroom dancing together and I was still waiting for you to dance again in all those those pretty shoes you bought. Everyone I introduced you to, loved you immediately. You were a true friend. A gift in my life. Espero verte en mis sueños, mi amiga, con su sonrisa y sin dolor. Aunque mi corazón duele y las lágrimas no paran, se que estas con nosotros y te voy hablar quando pases en el viento. "El sol se fue, y yo cantando tu canción.." Te quiero muchísimo, siempre.

“ *My dear sister in law: how memories of you do not console the grief I must contend. When Betty brought me to your house in Rhode Island, you were a kind soul and had memorable moments from there on. Betty and I wanted your family and yourself to remain close to us but destiny played a different card. We all kept in touch and most memorable was your cheering during my college graduation; a special moment for us all.*

Being born in the same land, cherished some of those political times, humor, and news which only a Chilean would know.

Betty and I will miss you and forever in gratitude to the kind soul that you were. May God keep you in his side.

“ Andrea will be missed so much at Gwinnett Tech. She was always positive, cheerful, and a shining star to us all. When I lost my son in 2015 to an automobile accident, she came to me and cried with me. Her support meant so much. She was always spreading her support and sharing a cheerful heart to all of us. She left us with a beautiful memory of who she is.

“ Andrea was a fantastic lady. She would always greet me with the biggest smile. She was an extremely hard worker. We would go out to lunch often and would laugh sometimes until we cried. She had such a wonderful spirit that you could feel when you were around her. She was smart, witty, fun, outgoing, and caring. Her best quality was that she was real. You never had to guess how she was feeling. She loved her husband and her children so much. If you had the chance to get to know her and be her friend, you were blessed. She lived life 100% until the day she passed away. She always would say "live life to the fullest and never give up." I pray her light shines brightly in Heaven now and I look forward to seeing her again one day.
