“ *Debbie and Family, we are sorry for your loss. Andy was a great person. Tommy and I enjoyed getting to know both of you at Homespun. He loved his family and when he spoke of them you could tell by the big smile on his face. He is now free of the horrible disease that took his memory. God be with your family. Tommy and Cindy Morris.*

“ I was blessed for over 20 years to call Andy friend and family! He was the most kind, loving father and grandfather I have ever known! It was always family..I had the pleasure of working with him in business, were he was respected and loved by ALL his clientele, as well the people he worked with. He touched us all, And, I was personally blessed to have shared family time with him for many years, to share vacations, holiday's or just going out to dinner with him and his family! He was a devoted sports fan and participant for as long as I knew him! He had simple delites, like driving to Tifton every year to get fresh vegetables, then cooking for us all! This is how I can sum up Andy Hill--He was a blessing to us all and he now rejoices for ever after with the Angels! Andy, you are missed, but most of all, You are loved! Terry Chastain

Coach Hill coached in the 9th grade at Ware County. He was a great coach, we made it to the State Championship for the 9th grade. What I remember about coach Hill was he was demanding but caring. Many of my friends that played have talked and rememberd coach in a great full and thankful way. When I lived in Lawrenceville I called and was able to talk with him to let him know, To let him what a difference that he made in my young life and many of my teammates. Mrs Hill I know you know , you had a special man. I'm a better man for knowing him! Burt Davis number72, WCH class of 78.
