“ I grew up with drew.. I met Cody in the 6th grade on the bus cause I was trying to buy a can of dip from him lol, Cody got me the can of dip. That happened a few times before we began to become friends and hang out (2013). Slowly over the years it began to feel like I became apart of the family, I grew to have love and deep respect for y'all's family and forever will. Once I got older around the age 17 and onward me and Drew started to become super close friends to the point we'd give each other the shirts off our backs if either of us needed it.. he was damn good man regardless of the drugs he was an amazing person! He helped develop me into the man I am today & I wish he was he now for me to tell him how much I appreciate him being in my life, I loved that crazy SOB like my own blood brother. There's not a day that goes by that I won't think about you brother. And don't get this twisted this ain't goodbye.. I know I'm a see you again one day!!

“ I am so sorry this has happened to your family. Drew was a great friend to my son Hunter and spent a lot of time at my house and Hunter at Drews' grandfather's home. All of you are in our thoughts and prayers and we hope justice will be served as well as piece of mind. RIP Drew
