“ I didn't know Angela well, but I met her during a difficult time in her life and I found the spirit and grace and determination and love for her family with which she lived life to be inspiring. My thoughts and prayers are with the family.

“ I wasn't a close friend, but I first met Angela during a difficult time in her life. I found the spirit, grace, determination and love for her family which she showed during that time (and I believe showed in the rest of her life as well) to be truly inspirational. My thoughts and prayers are with the entire family during this difficult time.
