“ *Dear Allison & Andrea*

I am devastated hearing about your Mother's passing. Jerry and I loved her and your Dad.

We had such great times when we were your neighbors in Tn. We and a few other families were like family, on Lee Etta Dr. We spent many Holidays and vacations all together. So fun loving and joyous to be around, I will never forget the great years that we spent time with them, and still kept in touch until now. I know they are together now up in heaven.

Goodbye Anna, until we meet again.

“ Dearest Anna:

Although it was with a heavy heart that I heard about your passing, it is with grateful ears, mouth, eyes and tongue that you can proclaim Glory. Your intelligence, wit and good humor will be missed down here and a loving addition in Heaven,

“ *Allison and Andrea, I was so sorry to hear about your mom. I didn't know about your dad until a year after he passed. We shared many good times together in B'ham and Atlanta. Such fun that we had! My thoughts and prayers are with you both as you go through this difficult time. Hugs, Janie*

“ *I am so heartbroken for you all. My Anna Banana as I used to call her as we were best of pals after meeting in Tenn. Her laugh and straight forward talk was endearing. We enjoyed so much when the kids were little and either as neighbors or vacationing together we always had the best of time with her and Tony!*

*I will miss her and she told her to quit smoking many of time!
We are still family with you girls - Alison and Andrea so look us up if in AZ and we will do likewise in GA but probably not France.*
