“ *Anna was my Mother-In-Law. She was such a blessing in my life. She was my friend, my advisor, my shopping partner and so much more. I was the lucky one to have her in my life.*

When Anna (Mom) and Gene (Dad) came into my life, the majority of the members of my family had past away many years before. I felt like I was given a second chance to have a Mom and a Dad. They both were better parents than I could have dreamed of. Mom and Dad both became so precious to me.

Anna was an exceptional person in every way. I miss her so much and will miss her always.

God Bless Mom.
