“ *I only knew you for such a short time but you were always so cheerful and friendly. I appreciated it more than anyone knows. You were a sweetheart on earth and now you are an angel.*

To her family, we have been through a lot together and I consider yall like family. My heart breaks for yall. I will be praying hard for you to find strength, comfort, and closure. If there's ever anything I can do, I am but a phone call or a yard away. I love you all! God bless
