“ Anna, it's been a long time since we've seen each other. I first met you in Houston when I was just 19. While we were friends for just a short time the universe brought you back into my life 7 years later. I miss you a lot and your company at Skyland. I'm so sorry I didn't know you had passed until 4 years after your death. I wish I could have been there for your funeral. Even more so, I wish I had reached out before you were gone. Just know that I love you and I will not forget you. You will be in my prayers for the rest of my life and I pray for peace for your loved ones. Take care my friend, until we meet again.
