“ I remember Anne fondly and our times together back in the day when she and Ben were part of my life in the late 60s. Ben and Anne included me as a guest at their wedding (with Sandy) in the very church where her celebration of life is to be held. It was a lovely Woods Hole day. Thank you for sharing. Treasured memories of a good time.

“ The Christmas card I sent Anne was returned today and I found out about her passing. Kirsten, I am so sorry for your loss. Anne and I go back many years to school at Beaver Country Day graduating together in 1964. We had many happy times together, birthday parties, sleepovers, visits to Woods Hole in the summer, too many to list down. Anne will be greatly missed. Cyndi Bailey Steele

“ I was a classmate of Anne's at Bates College, class of 1968. Our 50th reunion in 2018 was memorable. She and Mike got together at our 20th reunion.

“ I am shocked to learn of Anne’s passing away! I know she had courageously gone through bladder cancer, but I thought she had recovered. Anne was a great part of my college life and many years after. Joel and I vacationed with Mike and Anne often. Anne was so proud of Kirsten and her grandsons. Life will feel funny without her. God rest her soul.
