“ *One of my fondest memories like Carroll, was the chili after the auctions. It usually hit the spot after a fast paced event. How she could keep track of all you guys is God's own mystery.*
You have been traveling at 90 to nothing seeing after her, now it is the real challenge.
What do you do when the music stops? I still haven't figured it out. But, I suggest, keeping the good memories, banish, any sad ones, I am sure she forgot any arguments a long, long time ago, (it is the nature of love) and be thankful she was here.
May God Bless You.

“ My heart is heavy for you all, both children and grandchildren, as you morn the loss of a loving and devoted mother and grandmother. She was a sweet sweet lady who always wore a smile and had kind words for all. As a kid I knew I was always welcome at your house. I have nothing but fond memories of both of your parents, genuinely kind and good people. You're blessed to know they're reunited in heaven! We are praying for you as you face this difficult time. Much love, Kathy Gilleland Wolfe & Family

“ Our prayers are with the family. I remember growing up, I never could remember when she did not have at lease a little smile on her face. She always spoke to me if she saw me when I got older. This is a time for adjustment for you family. I pray for comfort for your family during this tie and after.

“ We are sorry to hear of Aunt Roselle's passing, but take comfort in the fact that she is now with Aunt Evelyn and my father, Bob Randle. I don't think that I have met Aunt Roselle more than twice, and that was probably 60 years ago ... but the family resemblance to Aunt Evelyn and Aunt Geraldine is very strong.
