“ I am so sorry to hear about Tony. I went all through school with Tony and we were great friends from 6 years old through high school. I thought so much of him and his entire family and he will surely be deeply missed. I did not know about his passing until around 4:00 pm today or I would have been there. I have been a pastor now for almost 40 years and I know that the only true comfort for such a great loss comes from the Lord! You all are in our thoughts and prayers and if I can ever help, just let me know. Please trust in the Lord and lean on his strength and love and you will find all that you need to make it through these difficult times.
With all our love, Jimmy and Nancy Glaze

“ We send our love & prayers to the family. Tony was a friend, and a brother. I'm glad for all the great times and memories we had together. We couldn't come to the Funeral because our daughter Emily is in Emory for her liver. I know Tony's passing was sudden and unexpected but like Gaylon always used to say, God doesn't make mistakes. God bless you all.
