“ *I've only known Anthony a short time. But in that short time we had many visits and many talks. Through these talks I got to know Anthony and what kind of person he really was. He loved his mother very much. He loved his family and he loved his friends. I'm really going to miss him, I'm gonna miss are visits. I'm gonna miss our talks but most if all I'm gonna miss his hugs. I only found out about his passing late yesterday. I'd been trying to reach him for a couple weeks now but he was MIA. I wished I had taken the time to tell him that he had enriched my life with his laughter and his smiles. Anthony I love you and miss you so very much. Fly high my friend till we meet again. My prayers go out to his sweet family.* Lisa Cantrell Casper
