“ *So sorry to hear of Tony's passing. We knew him from the lake and always enjoyed spending time with him when we are down at the camper. He always was great to hang around and just sit and talk to. He will be truly missed.*

“ *2nd part of story he spent hours and hours on end working on that motorcycle and I remember the day you got it paid and you came home and he told me that there was going to be an unveiling and you had put a picture of Betty Boop on the gas tank just because I kept teasing you about spending time with Betty you are so proud of that bike and you loved it as much as I hated them there's not much I could have done about it. I love you Anthony Garcia you will be dearly missed until we meet again love you*

“ *Tony you've been in my life since I was 19 and now to have to realize you no longer crushes my heart. You have put me threw so much but never once did I stop loving you, life for Brittany, Addy, Justin Julie and little Tanner will never be the same. I remember the time when you were working on your Harley in the garage nights on end and I would always tease you and tell you to go down and spend more time with Betty cuz that's all obviously what you wanted to do*

“ *Very sorry to hear this, Tony was a great guy, his personality was 2nd to none, he could be serious, but he could make you laugh. So many good memories. Tony was the first person I met at Centimark, he actually hired me in 1987. My thoughts and prayers are with Trish, Brittany, Justin, Mary Ann and Eugene. I took pride in being apart of this family. I not only hurt today, but I lost a Brother, in Tony. God bless you all.*
