“ Even though I only knew Scott for a couple of years and on a professional basis, His smile and friendly attitude always made it a pleasure to seek his assistance with anything automotive. He was always more than willing to share his "tricks of the trade" with a novice DIYer. Our deepest condolences to Darryl, Sheila, and the rest of his family.

“ He was a very nice, giving young man. And a true friend to my son,
Shaun. I loved him from the first time I met him some 20 years ago.
He was a great father to his daughters. He is with our father in
heaven but will always hold a very special place in my heart. My
prayers are with the family, may god give you all peace and comfort
