“ *Anthony i miss you so much. You never showed me how to live without you. My heart hurts to lose not just my only brother but my best friend. I have so much I need to tell you. I need you to come so I can get some advice on life. I wasn't ready for you to leave me so soon. I know I might sound selfish because you're living in a world with no pain and no worries. I love you brudder please don't unwrap your arms from me I need you.*

Love your Broken hearted sister

Jehovah Jireh, there is none like You. Every day we want to praise and worship Your glorious name. Today we weep at the death of Anthony our loved one. But Blessed Father, this Family can rest assured knowing You are there for all of us.. I know his family and friends will find comfort and peace, in the midst of tears and grief. We ask O' Holy Spirit cuddle his daughter, mother Clorisa and us all help those who care for her to love, protect and teach her of the Father and His Only Begotten Son, Jesus, Yeshua! Lord, we shout Your praises, because You will turn mourning into dancing. Matthew 5:44 Blessed are those who mourn, for they shall be comforted.
