“ LaShon & Family,

I am so sorry to hear about Tony's illness and passing. My heart breaks for what you, your family, and friends have endured over the period of Tony's illness and transition. He was such a gentle, fun-loving spirit.

While it has been many years since we were all at Mercer University, the friendships and bonds that were made at MU are strong and stand the test of time--it was the best of times. The Mercer Family across the nation stands with you and your family physically and spiritually.

You and your family are in our thoughts and prayers, Soror. We love you-Please let us know if there's anything we can do.
