“ This is Tiecey Cole, cousin of Jermal. I had an opportunity to meet April at times and she seemed so warm hearted and sociable. I was able to visit their home and vice versa and we had good times. My prayers will continue to come for you Jermal and your girls and your mother and family. My Uncle, Jermal's dad, is in my prayers and his sister and Jermal's sister too. May the peace of God be with you!
Love, Tiecey and family.

“ *I met April through her dear friend Danielle about 10 years ago. She was so beautiful and very easy to get along with. She was caring for her mom and inspired me with their relationship. I was also inspired by her husbands care for her mom. Anytime we were in the same space, there were always good vibes. I am grateful to have known her because she helped to prepare a big part of my life. I now am a caregiver for my mom in my home. My mom and husband have a great relationship. Talking to April made it easy for us to decide. Rest well April 🙏.*

To the family& friends: To be absent from the body is to be present with The Lord. April is well. I pray your strength, hold on to the memories they will comfort you while leaning on the Lord 🙏🙏🙏🙏

“ April was such a KIND soul. She and a few other Alpharetta co-workers, whom I had worked closely with at Travelers, gifted me a "Thank You" Angel. That meant so much to me during the days following my departure from Travelers. You've done good, go rest high on that mountain.
