“ I was deeply saddened in hearing the loss of Archie. Postmaster Juanita Marbury said it all when calling him a true "stand by guy". He sure was in all ways. He was there for me on a few issues and put his all in dealing with everything. I'm a rural carrier at the main post office in Stone Mountain. I recieved the news today after returning off leave from work. My prayers and condolences are with all his family and friends during this time. I was truely blessed to have met him. May God bless you all, Linda Fox

“ Archie will be fondly remembered and missed greatly. I worked with him closely as a union steward, and his sense of fairness could never be challanged.

His family and friends will miss him greatly

My prayers are with you

“ We would like to express our sincere sympathy to your family. We met Archie, at George Pierce Park when he was a umpire for our son's baseball games. Then he became our mail carrier in Duluth. Archie was the best, he always had a kind word to say and was the true meaning of "A GREAT GUY". Our prayers to your family for such a great loss. God has a good one up there now and may Archie rest in peace.

“ Mrs. Archie :),

Archie is a great person~

My very first acquaintance with Archie was at the Duluth Post Office. I was detailed as the Manager of Duluth Annex 2009 and had not worked in the Rural Carrier Craft for 10 yrs; a bit rusty to say the least. I went to Archie, my Union Steward, and ask him to navigate me through the Rural Craft to ensure I didn't make contractual mistakes. He did more than that; he assisted me in the administrative aspect of Rural as well. You see, Archie did not care that I was a Black lady from the hills of Tennessee; Archie love Duluth and just wanted to "Restore the Glory to Duluth Post Office." He saw only my heart and my zeal to do an excellent job. I guess we were just what each other needed. He wanted a Managers that wanted to do the right thing and we were a Postal Team made in heaven. Thanks to Archie's help, I /We produced the best productivity numbers in it's history. Yes, Archie was a real "Stand up Guy", a quality postal employee and his postal family will miss him greatly.

You've heard the old saying, "God always takes the good ones (Union Stewards). But, the Lord wants the best for himself, since he is the creator, it's Ok for the Lord to chose his picks :). My prayers will continue with you & the family.

*Much lovce & thanks for sharing Archie with us,
Juanita Marbury

“ *Julie and Family,*

Just know that you were loved by Archie. In the many discussions we had, Archie always talked about his family. Archie will be missed by many of his fellow stewards and coworkers from his Postal family.

*Our thoughts and prayers will continue for the family.
May God bless you and your family during this time.*

“ *Julie,*

Archie was the 1st person in the neighborhood who welcomed us when we moved in. He was the nicest most considerate person we have ever met. He told Melvin if I have a tool or piece of equipment you need to use at your house use it, what is mine is yours. Always so generous. You don't find people like that often. We are here for you.

“ *I knew Archie briefly but considered him a friend and someone that was very easy to talk to. I know that he loved his family and his fellow rural carriers. I don't think Archie ever truly thought of himself before others. Archie was a dedicated, cheerful and happy family man. I will truly miss his smile and laughter. I just hope that our words can somehow be comforting for you during this very difficult time. I will truly miss him. You and your family are in my prayers, may God bless you and hold your family close.*
