“ Justin,
We are the family that befriended you in the waiting room at NE GA Medical Center just before Ashley was moved to Piedmont Hospital on March 25. We have been praying and praying for you and Ashley and we did not even know your name. A friend of ours that we had told about your situation just happened to see something on facebook about Ashley and notified us what had happened, sending us a copy of her obituary.
We are so sorry for your loss and will continue to pray for you and your boys that God will give you peace and that you will feel His presence in your soul as you look to Him for help to get through this time. There are no answers for what happened, only trust Him and know He will work it for good.
Love In Christ,
Kay & Robert Tippins, Terry Tippins, Diane and Paul Barker Nahum

“ *Holman/Pacesky families: My prayers are with you all. May God continue to watch over you, and may He give you peace and comfort as you grieve. Ashley's homegoing is bittersweet, I am sure. While we celebrate her promotion to her new home, we are sorrowful that she is no longer a part of our lives down here.*
