“ Our dear niece August - we love you very much and you will be greatly missed. We will cherish the many memories we have spending time with you and our many talks over the past few years. We take solace in knowing that you have found peace in heaven with your Nanny and Papa. We will always cherish the glass bell you gave us. It will always be a reminder of you and your generous heart and strong spirit. Rest in peace little angel.

“ I remember her being one of a number of girls at Ashlee's 10th birthday sleepover in 2003. She was so quiet and polite. Such a sweet little girl. May you all be comforted at this time
