“ Jo Beth and Bryan, my heart goes out to you. I am just heard. We will miss Avery tremendously. I really enjoyed watching him dance when he came to see us play. He is our favorite fan. I will keep you in my prayers and every time I play, he will be in my heart. God bless

“ Avery is loved by all, there's no doubt about that. He is the sweetest boy ever, always with a ready smile for everyone. He always wanted his head scratched whenever I see him. Please know that we will always have him and you all in our prayers and in our hearts. He will be thoroughly missed but we know that he is dancing and rocking away up there now.

“ Jo Beth and Bryan, we are deeply sorry for your loss. I can't even imagine how difficult this is for you both, and for your families. You were such amazing parents! I loved seeing on Facebook all of the musical adventures you shared with him. Praying for healing and peace to you.

“ Jo Beth and Bryan,

Although, mercifully, I haven't felt the degree of loss you must now feel, as a parent I feel the heartbreak. My deepest condolences to you and family.

“ *Bryan and Jo Beth,
Bryan, I have never met you but I have met Jo Beth. I wanted to reach out to you father to father, my son was born in 1996, two years after your son. I can't understand the loss of a son but know it has to be hard on you as it would any father. Please know that I am with you in prayers and sorrow for your loss. Continue to lead your family as a father during this time and remember the times you had with your son.*
