“ *Ned,*

I am truly sorry to hear about Barbara's passing. I met her with you in Vancouver and Halifax at the shows and enjoyed the dinners we had together. She was a great lady and you could see that she worked with kids because of her kindness and understanding to everyone. She will be missed by all the people she met.

“ *I am so sad my friend has left us for her heavenly home, but I know she is now at peace and joy with the Lord. Her strength, faith and grace that was ever present during her battle with cancer - I will never forget and she will always be an inspiration to me. Sweet, kind and compassionate. “ My heart is so heavy for the Espy family. Moms are often the glue to a strong family. However, I know that there will be sadness at first but then joy for she is free of her sick earthly body and is with God! I will continue to thank God for all of His blessing and ask for healing and comfort for the Espy family and friends.

“ Barbara was an incredible woman with a strong passion for her Husband, children, and her beloved Auburn Nation!
My years of sitting in the stands with her watching our boys play ball and giving constructive advise to the referees on how to call a game was so much fun!
What a lady this was and will be truely missed!!!
Great memories that will last forever with myself and all the others she touched!

“ My prayers for the Espy family. Although I never had the pleasure to meet Mrs. Espy, I know that the world has lost a wonderful soul. I have known her daughter for years now, and I can see so many wonderful traits of Mrs. Espy in Halley -- tremendous abilities in compassion, enjoyment of life, and caring for others. No doubt that Mrs. Espy touched other lives through her teaching and church service. The world is better for having had the pleasure of learning from Mrs. Espy and for having our lives touched by her. I pray that her family finds a bit of peace in knowing that heaven welcomed Mrs. Espy this week.

“ Barbara was a very special person and I am so sorry to hear about her passing. I send my warmest thoughts to the family. I know each of you will miss her terribly. She was always so kind and I remember her wonderful Children's Sermons at Buford Pres. She always loved the lemon meringue pies that Roy baked! I will miss her.
