*“ On behalf of myself personally and Chandler, Britt & Jay, LLC we feel the loss of our much loved friend and co-worker Barbara. She was an OG member of our firm back in 1993 and was integral to our success. I always enjoyed running into her at Kroger and when she would drop by for a visit, after leaving our firm. Both of my daughters loved talking to Barbara when they were younger and at the office, and she always took time with them. Please accept our deepest sympathies for your family's loss and if there is anything we can do, let us know. RIP Barb you will be missed! Walt*
