“ *I(Teri) often thought of Miss Barbara, and she was heavily on my mind just days before i read about her passing. I was truly, deeply saddened. My husband (Russell) and i were very fortunate to have been members of Levels Baptist Church and knew her for many years. And i was also very fortunate to have been very well trained by her in our jobs at Fritzlen Real Estate. She was an excellent secretary, as i knew from the way she handled all aspects of the real estate work as she trained me. I know Mrs. Fritzlen missed her because she would always tell me i needed to go back to school and take a "re-fresher" course. Miss Barbara was a wonderful secretary that truly knew her job very well. I loved working with her, and she only trained me for a short time before leaving for her new job. She left the Real Estate because Mrs. Fritzlen as soon to retire. She will be greatly missed by everyone. A outstanding, loving, Christian lady, friend, sister, employee, neighbor, and now angel in heaven. It is true, she will be easy to find, just look for the angel with the brightest crown and big smile and willingness to lend a hand to help or just sit and listen to someone who needs someone to talk to and share whatever is on their heart.*

*God bless you Miss Barbara, i've never forgotten your kindness and sweet smile, and just know how you touched my life and i thought of you very often. Thank you for all you did for me and others and all your sweet kindness. Your friends always, Teri Magness and Russell.*

“ I was fortunate enough in life to meet and work with that special person who was an example of Christian love and service to others- Barbara Moseley. I have never known a more kind and gentle person. She will be easy to find in heaven-just look for that person with all those crowns. Barbara, thank you for the example you set as to how a Christian should live their life!

“ I am sorry to hear of Miss Barbara's passing. She has been a great part of my growing up. I lived on her street since I was a small child. She was always smiling and working in her yard. I walked to the store and she would always ask how I was doing. When I had children, she always asked about their lives. On halloween she ALWAYS had gotten me a big bag of candy corn. I will truly miss her. I hope the rest of the family knows yhat alot of people loved her.
