“ We love you Arthur and sorry for your loss
Ellie and Jackie Hamilton, a small remembrance to you from us:

*God whispered to me in the early dawn and said
Take my hand and follow along.
We'll go to a place where there is pain no more
Where the beautiful sparkling waters flow.
Where the snowflakes fall like colorful butterflies,
Caught by the wind and carried to the skies.
Where the Angels soar with the songbirds
in the morning light
And dip their wings in the warm raindrops at night.
I'll be the moon with its silvery light.
Look for me I'll always be near
Riding the wind, every word I will hear.
God gave me to you to cherish and love
And watched and waited from his Kingdom above.
All this, as He said it would be
I'll live in your heart, God gave you the Key.*
