“ *I am so sorry for your loss. Please except my deepest condolences. I am hoping that my words may be of some comfort to you and your family. Please take note of the words stated by the faithful man Job at (Job 14:14, 15): "If an able-bodied man dies can he live again? . . . You will call, and I myself shall answer you. For the work of your hands you will have a yearning." This represents God's earnest longing and desire. Can we really believe the resurrection promise? Yes, there is no doubt that God is both willing and able to fulfill it. What does this mean for you? You have the prospect of being reunited with dead loved ones right here on earth but under very different conditions. “ To Mark, Debbie and family,
Our hearts are full of much sorrow as we know this is a difficult time.
Our prayers and thoughts are with you now and will continue. While
it is hard not to be with you and so far away, we remember the times
with Aunt Barbara when we were young and especially her visits to
AZ. We will never forget her sweet smile. Love Don, Tim, Sandra
and our families.
