“ *I am very sorry to hear about the loss of your beloved Benny. Please know that the Holy Scriptures talk about a time when our loved ones who have fallen asleep in death will live again by means of Christ Jesus. (John 5:28. 29; 11:11-14, 38-43) May the God of all comfort be with your family until we await that time (Revelation 21:3, 4)*

PS

“ Ben we shared a lot of laughs, lots of hard work, and a few sad times. Your level head and quick wit were always a delight Many was the ties we spoke of faith, why we did things in a situation and what we should have done differently.

To the family, it is always easy to mouth condolences, Benny had a spirit within himself that would "not go gentle into that good night." Every test in life was an opportunity for a testimony. He had a big heart, he love God, he loved you guys, and even had a smidgen left over for a myriad of eclectic friends, No doubt in my mind, he was in heaven, a day before the devil knew he was gone. God bless you guys, and yes the world is truly a more bleaker spot since his candle has been extinguished.

When I change a receptacle or add a switch my friend I will pleasantly think of you.
