“ *With deepest sympathy for your loss. Please read the encouraging scripture where Jehovah God has given us his promise of a resurrection when all who are dying in Adam will be made alive through the Christ. If you would like to know more information, you can also go to jw.org. Thank you.*

“ *I am the nurse from Compassionate Care Hospice who came to visit Mr Schultz on Monday of last week when Rita was off. I want to tell you how much I enjoyed the short visit with him. We had a good conversation and he told me of some of his life experiences. I am glad I had this privilege. Bless you all.*
