“ *I remember when I was just a small child and Bernard and George lived on Old Peachtree Rd.. We would go visit and Bernard would cook for us and We would pick plums from the trees across the road. Bernard would pick his guitar and sing. He would get wild I would say. We would also go with them to check their beaver traps at the bridge On Mt Moriah Rd.. They would drive his red step side truck to daddy's and stand around in the yard talking. I havent seen Bernard since my daddy, Billy Scruggs passed. I have often thought about him but time slipped away like it does. I wish I had taken the time to do so now. I will miss you and always remember you.*

All my love

“ *I am very sorry for your loss! May God comfort your mourning hearts! Our heavenly Father promises a time when not only will death be wiped away but those who have already fallen asleep in death will be woken up! Death is an enemy according to the Bible and it will be permanently taken out of the picture very soon! God cannot lie so we do not doubt that this promise will become a reality!*
