“ *I have many fond memories of countless hours that Bruce and I spent playing cards with Bunni and Frank. What fun we had together. I'm sorry we never stayed in touch. My sincere sympathy to the entire Battle family.*

“ *I'll never forget the story when Bunni, Frank and my parents went on a trip together and my mother and Bunni hid the car and Frank and my dad thought it was stolen. There are so many stories from the four of them. Bunni was my moms best friend and was full of live and love and always had a smile on her face and in her heart. I know my mom will be happy to see her friend in heaven but we sure will miss her here on earth. I truly loved her like a second mom and have been blessed to have had her in my life.*

My heart cries...
