

Bernice Eleanor Earley

May 13, 1932 - March 25, 2023

Bernice Eleanor Earley gained angel wings on March 25, 2023, at the age of 90. Bernice is survived by her daughter Cindy Rickard-Carter, son-in-law Wally Carter, and granddaughter Crystal Rickard-Radgoski.

Bernice, affectionately known as Bea, was born May 13, 1932, in Kalamazoo, Michigan to the daughter of Herbert and Ethel (Rushmore) Tarnow. She was one of four children in their household (Maxine Smith, Lucille Becker, and Herbert Tarnow).

Bernice was an extremely hard worker and continued to work hard throughout her entire life. She spent many years working for the Gwinnett County School system where she later retired.

She never met a stranger and treated everyone like they were family. If you were touched to know Bernice, she was the kindest and most generous person. She continually placed others first, always giving to a special cause or charity even if it meant she would go without.

Bernice will be missed but always remembered!

Private services will be held.

“ So sorry and sad to learn of Bea's passing. She was my dearest friend for years.(as were you guys).. Time, relocations, and distances separated us, but never our awesome memories we made; weddings, (yours, hers, mine) holiday meals shared, the fun times that I cherish. I love "My Bea"; she was an amazing, Godly woman, so selfless, always doing for and caring of others. Always saw the best in everyone!! Prayers lifted for all of you, for comfort, Peace and Strength during this difficult time. 🙏🕊️✝️😞😭❤️ Love.
