“ To each of you my condolences come from the heart. I wanted each of you to know that Bernice was a friend and neighbor. We lived across the street for 47 years. She was always helping others. She and I grew close the last few years. She was there for me many times when I needed someone to talk with. She always talked of her family and how much they meant to her. She was a Christian and no longer is suffering. She is now celebrating with her friends and family and with the LORD. I will miss her so much and I loved her dearly. My thoughts and prayers are with you.
