“ *My heart goes out to all of Beth's family and friends. I haven't seen her since she worked with me at DSI, but luckily we reconnected through FB. She always managed to bring a smile to my face and I really will miss her. Although I am older than her we share the same birth date so I have remembered her every year on our special day, as I will continue to do until I take my last breath. Prayers to all of you and may she Rest In Peace.*
