“ *I knew Mrs. Betty Cain since I was a little girl. I loved her so much! I met her at Buford Church of God when my family and I started going there back when I was around 7 years old. Mrs. Betty would always greet me with a big smile and an even bigger hug. She never looked down on me, no matter what and that says a lot, trust me. I will always remember her and she will never be forgotten as long as I am alive. I love you Mrs. Betty! Thank you for making my life more joyful and thank you for helping me know what Christ love truly is! -Danielle Jones-Tetteh*

“ *Betty was the sweetest person we have ever known. She was always smiling and had the best personality anyone could have. She was such a positive influence on our lives, and was the main influence for me to return to church after many years of absence. We will miss her more than words can say. We met many members of her family and express our sympathy and prayers to them all; and especially to her sons David, Jon, and Joseph.*

“ Betty Cain was one of the best people you could ever meet. Her smile lit up every room she ever was in. She shared Jesus with everyone and made sure you felt Jesus love. The Buford Church of God will never be the same without her there. Heavens gets sweeter every day. You will be missed Ms Betty. I love you forever.

“ Jon, David and Joseph, I am so sorry to hear that Sis Betty has left her earthly home; but I am truly joyful that she has gained her heavenly home and is now with Jesus. She spent her entire life working for our Lord and Savior. She was truly a wonderful person and loved everyone. I don't think she ever met a stranger. You three were so blessed to have her as a Mother and an example of what a Christian should be. Love you all.

“ *when i think of Betty- I think of her strengths  
Her ability to talk to anyone, The love that radiated from her, her  
willingness to ponder on things that may have been considered  
tragic... she would find a good in the situation or be willing to just be  
content...  
she was strong physically  
always keeping a very clean home...  
she talked about exercising at Bogan Park.... she was a great  
encourager  
I am very thankful for her spending time with my aunt Martha ...  
xoxo ... to The family  
she will be missed...  
but no doubt  
we know she walks the street to gold...*

“ To all the family of Betty Ann Cain: I was so shocked & saddened to hear of the homegoing of Betty Ann. I talked to her just a few weeks ago & she sounded so good. She said she was on the mend from her recent illness. She loved her family dearly and was loved by them. I remember her many visits to my mother in law - Ruth Olene Mathis Williams. She truly was Jesus' hands & feet on earth. She will be missed by all those who knew her & especially by those who love her. You each will be in my thoughts & prayers as you adjust to living with all the memories you have made with her. And may these memories bring you comfort.
