“ *I worked with Betty at BellSouth for many years. I have...So...So.... many good memories working with her. She was a dedicated employee and always had something funny to make you laugh. One thing I have always known..She loved her family dearly and that she cared about others. I have missed her so much. To the family- my deepest sympathy and I will keep you in my prayers*

“ *I am so sorry to hear of the loss of your mother, Betty. I worked with her for many years at BAPCO. She was so much fun to be around and always had something witty to say. Prayers are with the family as you go through this difficult journey.*
