“ Sheila, Jeff, and Amy,
We were so sorry to hear of Betty's passing. All of you are in our thoughts and prayers.

I am so grateful Betty was part of my life and the good influence she had on me. She certainly helped shape the person I am today. As I reflect back on the great memories

I have of Betty, she taught me to live life to the fullest. The most important things I learned from Betty are to love with all your heart family, friends, and others; step up to challenges as they arise; and most importantly enjoy life and have fun.

Please know we love all of you and share your sorrow and are thankful for the precious memories we have of Betty and you guys.

*Love and Prayers,
Larry and June*
