“ Betty Jo was a smart, kind and precious person. She was a fantastic cook and always a joy to be around! We haven't got to see her lately since she moved to North Carolina but always remembered all our good times! Hugs to each of her children, grandchildren and great grands. I know you guys will miss her but you have a lot of special memories!❤️❤️

“ I worked in the quilt shop with Betty for 10 years. Loved to hear her stories about Clark, her husband. Her pound cake was awesome.

“ Oh man, what do I say. First, she reminds me so much of mama (Myrtle). I used to talk to her when she would call mama. Soooo sweet. I didn't get to see her much but I love her sweet nature and she also had a funny side. She was the last of a wonderful family. My heart hurts. My prayers are with you all!!

“ I am her niece and I remember her as one of the sweetest ladies I know. She had a great sense of humor. She also was a wonderful cook. I miss her dearly.
