“ *This is a message to express how much I miss my Mom. I am so deeply saddened by her passing. I never knew how much my Mother meant to me until now. There is one thing to have a Dad, but that's nothing like having a Mom. She struggled most of her life trying to give myself and my other siblings a life that others could only dream of. She sacrificed jobs and relationships for her children and grandchildren. It's just sad that I am only able to express my gratitude in her time of death. I love you Mom and only hope to be as great of a Mom as you were to me. Love you Mom forever and always!*
