“ *She loved her family the Braves but most of all Marlin. I can remember so much laughter. Once Marlin superglued Cotton balls on his beard at Christmas for the kids. Beverly and I laughed so hard as they were cut out. Benji might have been four or so. Beverly would trick me on Benjis diapers in the day
The joke was on my teenage self
She and Marlin helped me with property when my husband was murdered I will never forget. We were going to move Closer. I love you and I hope to see you again I'm good finally It was great to see you and talk sister stuff a month ago and the phoncalls.*
