“ *Billy Joe was my first cousin. I remember fondly spending time together at Granny Dispain's house such a special special memory that's locked in my brain forever. I love Billy Joe ,he was a kind man he loved his family and he just knew so much about cars and so enjoyed cars, I remember playing trucks and cars with him around a big old tree in Granny's yard. It breaks my heart for him to leave us so early. Prayers to Brennias and the children into all the family love, Sandra.*
