“ *I rode in many rides with Billy, he was a great leader, he always proudly displayed his flags on his bike. He was always there to help anyone in need. He came to my need several times as a fellow biker. I love you Billy Hunt, we were all blessed to have you as our friend. RIP*

“ *Billy and I rode hundreds of Legion Rider and PGR Missions together. He shared with me many facets of his life including the horrors of his time in Vietnam and Cambodia. My first thought upon hearing of his death was that the reoccurring nightmare that plagued his sleep every night would no longer haunt him. Rest in Peace my Brother. Ranger Bill*

“ Billy,

*I'm not sure where we got the bridles, much less the horses. We were in that pasture across the road from your home. We were 12 or 13 years-old or so. Somehow, we got the bridles on and mounted up. No saddles.*

*Horses, it seemed to us, did not like kids. Horses would bite, kick and hit you with their head. And, their best trick was to stop when you were not expecting it. You would slide off and the horse would prance around you.*

*That day they came with a better trick. There was a tree-lined creek running along the draw. Both horses kicked into a gallop and headed toward some low hanging tree limbs. They were going to knock us off.*

*I bailed. You stayed and somehow got past the limbs.*

*Billy, keep riding.*

*I will find a small piece of leather from a bridle. I will attach a small metal Marine Corps emblem. I will lay it by your name on the Class of 60 Friendship Bench at Sayre.*

“ Billy and I were in public school together in Sayre, OK. He made a valiant effort to attend every alumni celebration. Billy had a fun sense of humor and made friends easily. He loved life and nature, animals and people. He loved his country and served proudly in the United States Marine Corp. Billy made the world a better, safer place. You will be sorely missed, Billy!! Rest in peace. With love, Kathy Masters, Taos, NM
