“ *Billy wasn't just a truck driver at Biggs Building products: he was their best ever except maybe his father. He could put lumber on a dime on any terrain. He was loved and appreciated by all the Biggs and I am so sorry for his loss. My heartfelt condolences to all the family and friends he left behind.*

“ So sorry to hear about Billy. He and I always had a good relationship in the building business, we always had at least a 15 minute conversation when he made a delivery. He was always very pleasant to be around. I didn't know where he moved from Lawrenceville Suwanee. I also knew his Dad. Please accept my sincere condolences. My prayers are with you guys I know you're going to miss him. 🌹
