

## Blake Andrew Bargatze

August 9, 1996 - December 23, 2024

Blake Andrew Bargatze, 28, born on August 9, 1996, and passed away on December 23, 2024. As the cherished eldest brother of two, Blake made his mark in financial sales with unrivaled dedication and an infectious sense of humor. He adored his beloved dogs, Obie and Luna, and had a fascination for geodes and natural artifacts that reflected his inquisitive spirit. A true dreamer and diligent worker, Blake's loyalty to family and friends knew no bounds. He was also deeply devoted to his girlfriend, Alexis. Tech-savvy and creative, he enjoyed computers, video games, and was beginning to explore the world of e-commerce. His warmth, laughter, and indomitable spirit will be profoundly missed by all who knew him. Blake leaves behind a legacy of love, loyalty, and treasured memories. Our hearts are broken, and we will miss hearing his voice and seeing his smiling face. Blake was a double lung transplant recipient, thanks to the perseverance of many that worked tirelessly to make it possible. We owe them all our deepest gratitude for extending the time we had with him.

Blake is survived by mother, Cheryl Nucló; step-father, Paul Nucló; father, Scott Bargatze; step-mother, Karen Bargatze; brothers, Ross Bargatze and Wesley Bargatze; step-sisters, Christine Nucló and Lauren Nucló; and step-brother, Mordecai Branitz.
