“ *Rosalyn, Keelan and all the family*

I didn't know your parents very long, but I love them as my own. Very precious people who love God. Last time we saw them was a few months before they moved to Georgia to be close to you, Keelan.

I have pictures to send you copies of when we were together you might like to have.

My heart breaks for all of you, give Rosalyn and hug from us and tell her we love her.

God bless you all,

jim and Joy Burke

“ Such a wonderful man. Always enjoyed my visit with him when he came in my office with a lottery ticket. So very sorry for your loss.

“ We are so sorry to hear about sweet Bob. He and Rosie were the very best neighbors we could ever hope for. They were so good to our girls as they were growing up and they both have spent many hours with our grandson Preston at Austin Park teaching him all about baseball. Bob gave Karrie her very first softball glove and a very important Phillips 66 bat. Rosie was so sweet to come to tea parties that our granddaughter had, always dressing for the part. When we were out of town Bob always fed Kenda's dog Susie, in fact, he brought her at least one cookie every night and put it through the fence. He truly did not have a lazy bone in his body. They were both a great example of God's love and Jesus command to love thy neighbor. They did that to the ultimate best! We pray that God will be especially close to Rosie and Keelan and all of their family during this difficult time.
