“ Bobby was surely loved by so many for he touched many lives. He was a great friend and a father figure for my son, Ricky Hayes back in 1989 when his father died. Bobby was always there for him. We loved and appreciated him. We will never forget him, the pride he had when his children were born. Bobby, I did not know that God was going to take you so soon... did not get a chance to say those last goodbyes...I am so sorry, But I know that we will meet again in Heaven. Thanks so much for being our friend. God bless your family as they carry on.

“ Bobby's former wife Karen took care of my children at an early age. We were neighbors in Norcross. I am heartbroken to hear that he is no longer with us. But I know he is up there in Heaven with my Lindsey. He had a huge heart and loved my children dearly. One winter he took my Amanda for a sleigh ride down his driveway. She had the best fun. He always made sure the kids never got hurt. Bobby you are missed. My love and prayers go out to your family at this time and I ask God to give you all strength as he has given me this past year and half. The serenity prayer helped me through my toughest moments; "God grant me the serenity to accept the things I cannot change, Courage to change the things I can, And wisdom to know the difference"! Love to your family Bobby. I will see you in Heaven one day! Bonnie Duluth Georgia
