“ It's ironic that I met Bonnie because we had both been married to the same man and got along better with each other! We shared family, love, worries and faith. She was a sweet, caring woman who was impossible not to like. The world is a dimmer, sadder world without her. My heart hurts for all the family!

“ I enjoyed having Bonnie as a patient in my dental office. She was a very sweet lady and a joy to be around. Prayers to the family.

“ Bonnie and I worked together years ago at the Shawnee Inn. She was the sweetest and the most kind person I have ever met. We reconnected years later thru Facebook. I am so sorry to hear of her passing. My condolences to all of her family.

“ Bonnie was co-worker, a teacher, an inspiration, and one of my dearest friends. She was always there when I needed her and gave up-lifting advice. Most of all she showed me how to love everyone, not just family. I will miss her smile, her laugh, her voice, and her always saying "I love you". Rest in peace with the Lord Miss Bonnie. I love you.

WE

*i grew up with the Langan family in our little neighborhood in Wooddale PA. She was always one of the parents who loved having her yard full of kids and basement full in winter when we were snowballing cars and needed a place to hide. i still to this day think about her when i see a AMC Gremlin or Pacer (fish tank) ugliest car i ever seen but Bonnie said it's nicer than a Cadillac. RIP Bonnie you will be missed by many ❤️*

“ Our deepest condolences to all Bonnie's family... What great memories we have of her here in East Stroudsburg..... Looking out our window at the house she shared with her parents and sister evoke such warm thoughts of days gone by. Rest easy Bonnie, in the arms of Jesus 🙏

“ Bonnie has been a part of our family since Mike & Debi got married. A family get together wasn't the same without her there. Her cheerful attitude, contagious laugh & her love cannot be replaced. We will miss her always. I love you, my friend! ❤️

“ Ms. Bonnie was the best neighbor we could ever ask for! Mister used to come outside and call to our Rudy and vice versa. One afternoon, Ms. Bonnie accidentally locked herself out on the deck and called over to us. Our littlest Chihuahua, Tater Tot heard her and made sure we came out to check on her. Our shared love of all the fur babies was a special bond and we will love her always!

“ *Bonnie was the most thoughtful and loving person. She would give and give and not want anything in return. She loved her kids and grandchildren more than anything in the world. I will miss our frequent shopping excursions and daily phone calls more than I can say! Over the last 25 years she has been someone I could always count on to make me smile and I will always remember the love she has shown us all over the years. I love you Bonnie ❤️ I will keep you with me forever in my heart.*

“ *Bonnie and I worked together at YC. She could sell ANYTHING! Bonnie brought smiles and laughter wherever she went. Her heart was the biggest thing about her - she loved fiercely and freely. Her family was the most important thing to Bonnie, and everyone knew it. I treasure my friendship with Bonnie, and will hold onto my memories of time spent with her. Sending prayers and love to her entire family, and those who were privileged to call her a friend.*
