“ *Brad has been one of my best friends for over 25 years. He was there for me during some of the roughest times of my life and has continued to be even after I've moved to North Carolina. He always had a way of making things better and could always make you laugh. I was terribly saddened to hear of his passing. He will surely be missed by myand many others. Love you Brad. Fly high until we meet again.*

“ Betty Jo & Kim.
I'm saddened to hear this news. I'll be praying for you in the upcoming days. Brad was definitely one of a kind. He walked to the beat of his own drum. I commend him for that. I remember this old, faded pair of overalls he wore to school.... didn't give a care in this world to what anyone thought. He liked them and that was enough for him. The world is definitely a little less bright without that boy's light.
