“ I am deeply saddened and my heart is breaking for all of you! Brandon was a such a great young man and always a pleasure to be around. He was mature beyond his years. I always loved when he joined us out on the lake. Darrick would always ask if it was okay if Brandon could join us on the lake. Amanda and I's answer was always ABSOLUTELY and he is always welcome. I made sure Brandon knew he was always welcome whether his Dad was with us or not. I meant that and I know he knew that as well. He made his family and friends proud and it showed. It was always great running into him as he got older. He never hesitated to flag me down if he saw me first. Not just to say hello but to take the time to catch up. He always asked about my family first. That's the young man that I always knew and will always remember. I always loved hearing about everything he was doing and the family he had created for himself.

Our thoughts and prayers are with all of you.
