“ God, Bring comfort and peace as we pray for this family grieving the loss of their Beautiful Daughter Brandy: We come to you because we know that you sorrow and are acquainted with grief. you too have endured the loss of a child. we cant help but ask why? Forgive our confusion and even anger. we believe you are just and we ache to understand how this tragic death is an expression of that justice. we also know in our minds that you seldom answer the question why. so instead we ask how, how to go on how to move forward. how can this bring us together and not tear us apart? answer this prayer with guidance and comfort. theres no way to remove the pain the grief is real. the only sanity is to know to believe in a beyond with you we trust your promise that while this young girls life on earth is done her life beyond has just begun. with that we release her to your arms then by faith we receive your comfort. That is all, that is enough, In Jesus name we pray.
