“ Dear Families, I was very sad to learn of Brenda's illness and her passing. I knew her and taught with her for many years at Collins Hill. She was a lovely lady, a great teacher, and a helpful administrator.

In sympathy, sincerely, Melinda M. Burns

“ We met the family at the beautiful retreats giving for cancer patients. I am so thankful being a cancer survivor that my family got to attend it helped us to make a weekend of beautiful memoriesmile and blessings. My heart is with you during this difficult time there really are no words to heal the loss of a valuable loved one. We are praying for comfort, strength and healing of the heart. She had to be a wonderful person that got to do God's work for many years and will be with you forever in your hearts. We are sorry for your loss and continued prayers for the family.

“ Tommy and family, my heart goes out to you all. Brenda was a beautiful soul and I know she is sitting with Jesus and is at peace. I know how much she treasured all of her family and wants you to smile and enjoy your time on this earth. I know you will take care of one another and remember to share those funny stories and all of the vacations and holidays. She does not want you to be sad, but grieving is part of the healing process. I pray for you all and selfishly maybe, I am glad she is no longer suffering in pain. She will be missed so much!

Love,

“ *We are heartbroken over the loss of Brenda. As many have said we know she is in a better place and after having watched her struggle these last few weeks I must believe that is true. She could not have had better caregivers than Tom, Tracey and Melissa who made sure she was as comfortable as possible every minute of every day. We will cherish the memories of trips and cruises we have made together but we will especially treasure the family times we shared. We love you Tom, Tracey, Melissa and your families and are here for you any time.*

“ I am very saddened by the news of Mrs. Brewer's passing. Our thoughts and prayers are with her entire family during this sorrowful time. Mrs. Brewer was my favorite teacher and had a profound impact on my life. I always remember with fondness our trip to Europe, the many state & national NHS trips, and the fun I had in her classes. To this day, every time I use the word "facetious", Mrs. Brewer comes to mind. She touched hearts of each and every one of her students and her memory will live on with all of us.
